Web developer

Leeds, UK

French web-developer, graduated recently, following an intensive one year course, including a three month internship. Looking to put my technical skills and life experience to work in a team environment interested in someone with a non standard professional path.

Main tech skills

Html, CSS, Javascript, React JS, Git, API.

Soft skills

Teamwork, Adaptability, Autonomy, Critical thinking, Quantitative skills, Analysis, Synthesis.

Other tech skills

PHP, Laravel, WordPress, Node, PWA, Bootstrap.

Languages

- English: proficient.
- French: native.

Education

Web developer: 2019 - 2020 Simplon school, Level 5 equivalent

- Content of the course: Html, CSS, Bootstrap, Javascript, Git, Node, PHP, Laravel, SQL, WordPress.
- Basics of SEO and web design.
- Introduction to agile methodologies.
- Opquast certification: good practises for web (UX, accessibility, security, e-commerce).
- Majority of practical exercises.
- Many small projects in teams of three to four people.
- Presentations in front of public varying from the class to 50 people.

BPREA Poultry farming: 2011 A level equivalent
